REV. FRIEDRICH SCHMID'S BAPTISMAL RECORDS, 1847–1875, WASHTENAW COUNTY, MICHIGAN
(Part Eighteen)

Translated & transcribed by Rob and Cyndy Steward, 2019

(Continued from Vol. 42 No. 2, pgs. 27–32)

The original records of Rev. Friedrich Schmid are currently housed and may be accessed in The Michigan Historical Collections, Bentley Historical Library, University of Michigan, Ann Arbor, Michigan.

Please note that the handwriting of Rev. Schmid is not easily deciphered, in part due to his penmanship. The records contain entries written in old German script and some using English script. In addition, the pages in his records are not numbered. It is our understanding that he kept notes as he traveled and then entered them into his record books when he returned home. This may explain that while the records are fairly complete there are some gaps or omissions.

We have maintained the spelling Rev. Schmid used in the case of names. Items enclosed in parentheses are usually comments or notes of the translators or indicate alternate spellings. The term "geb." in relation to a female name, refers to "born as" or maiden name. A "+" at the beginning or end of a line indicates the person is deceased. "Unehl." indicates that the parents were not married to each other at the time of the baptism.

Rev. Schmid's Baptismal Records are in column format as follows:
(Left hand pages – a.) "Chronological Number" of the child for that particular year; Name of Child; Parents Names; Place; Birth Date.
(Right hand pages – b.) Baptismal Date and Place; Sponsors Names (sometimes marital status or relationship of the sponsors are listed).
Columns with no entry or missing information are indicated by three hyphens (---).

POLL LISTS, YORK TOWNSHIP, WASHTENAW COUNTY, MICHIGAN, 1837

Transcribed by Nancy H. Krohn

Among the earliest extant poll lists for Washtenaw County are two 1837 lists for York Township found in the Washtenaw County, Michigan records at Bentley Historical Library, University of Michigan and are printed courtesy of the library. Michigan achieved statehood on January 26, 1837 and these elections were held later that year. On August 21st and 22nd, representatives to Congress were elected while representatives to the state legislature, state officers and various county officers were elected on November 6th and 7th.

The August list has 153 names and the November list has 192. The poll clerks are not named on either poll. The original lists were ordinally numbered with the given name followed by surname. For ease of searching, the two lists are combined and sorted alphabetically by surname. Spelling remains as found on the original. Noted at the top of the August poll is "46th name Eraced" and the entry is shown below with a strikethrough.

Code: AUG.xxx = Poll List August 21 & 22, 1837.ordinal number on original list.
NOV.xxx = Poll List November 6 & 7, 1837.ordinal number on original list.
